### Ayer's Hair Vigor, For restoring to Gray Hair its

once agreeable, healthy, and effectual for preserving the estores faded

vestores fuded or gray hair to its original color, with the gloss and freshness of youth. Thin sair is thickened, falling bair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles stroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimu-lated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the forma-tion of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and inju-rious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy

lustre, and a grateful perfume. Prepared by Dr. J. C. Ayer & Co.,
